

Leve freno e frizione

Brake and clutch levers

Leve freno e frizione realizzate con la massima qualità possibile. N° 1 del mercato internazionale. Vi permettono di gestire la vostra moto come mai avete fatto prima! Regolate la vostra distanza delle leve con un click (6 regolazioni possibili).

Disponibili in 4 differenti varianti per soddisfare ogni esigenza di personalizzazione: Leve lunghe quanto quelle originali, per non cambiare i Vostri riferimenti; versione corta (A) per chi è solito usare solamente due dita; versione reclinabile (F) per evitare rotture in caso di scivolata; o la nuovissima versione GP design (G) che con gli alleggerimenti superiori e frontali riduce la pressione dell'aria alle alte velocità.

Clutch and brake levers are the highest quality products available. No1 on the market. Allowing you to manage your bikes as never before. The smoothest action ever! 6 possible adjustments with only one click.

Available in 4 different versions to customize your bike as you prefer: Long levers like the original, short version (A), folding version (F), GP design (G).
